A/AAPAM-UMI/I-18

28th April 2022

Dear Sir/Madam

RE: INVITATION TO SEMINAR ON STRENGTHENING VALUES AND PRINCIPLES OF PUBLIC ADMINISTRATION FOR THE ATTAINMENT OF AGENDA 2063 AND SDGS AT THE UGANDA MANAGEMENT INSTITUTE, 28TH -30TH JUNE 2022.

Greetings from the African Association for Public Administration and Management (AAPAM)

AAPAM in partnership with Uganda Management Institute (UMI) is pleased to invite you to a seminar on **Strengthening Values and Principles of Public Administration for the Attainment of Agenda 2063 and SDGs** set to take place from **28th -30th June 2022** in Kampala, Uganda.

Nearly every single day, headlines in the world's leading newspapers are full of examples of public sector failures: public money is mismanaged or outright misused; civil servants are not motivated or are poorly trained; government agencies fail to coordinate with each other; and as a result, citizens are either deprived of quality public services, or must go through a bureaucratic maze to access them. These public-sector challenges are often present even in the world's most developed countries. There is a need for a well-functioning Public Sector steered by professionalism, positive principles, and values. The aim of this seminar is therefore to offer a platform to reflect on the extent to which values are embedded in the work of public administrators.

Through this letter, AAPAM invites you to this very vital seminar. This seminar is designed for permanent secretaries, senior and top public and private sector managers, administrators, directors, heads of departments and divisions, policymakers, development partners, young professionals, commissioners, development partners, academicians and researchers. The seminar will adopt a physical format observing all World Health Organization safety measures.

Your personal presence and participation will be highly appreciated. Further, we humbly request you to disseminate this information to your colleagues and encourage them to register for the seminar.

The registration fee for the seminar is **United States Dollars Five Hundred (USD 500)** for Ugandan delegates and **United States Dollars Six Hundred (USD 600)** for international delegates respectively.

Participants are advised to register online at: <http://www.aapam.org> or fill out the attached registration form by 24th June 2022.

Accept assurances of our highest esteem

Yours faithfully

Dr. G.K. SCOTT.
SECRETARY GENERAL
