

**A/AAPAM-KSG/I-20**

**13 July 2026**

**Dear Sir/Madam,**

**RE: INVITATION TO PARTICIPATE IN A CONFERENCE ON LEADERSHIP:  
ANTICIPATORY GOVERNANCE AND SYSTEMS THINKING – LEVERAGING  
DIGITAL TECHNOLOGY FOR PUBLIC SECTOR TRANSFORMATION AT KENYA  
SCHOOL OF GOVERNMENT, MOMBASA CAMPUS, 22<sup>ND</sup>-25<sup>TH</sup> SEPTEMBER 2026**

Greetings from the African Association for Public Administration and Management (AAPAM).

AAPAM, in strategic partnership with the Kenya School of Government (KSG), presents its compliments to your esteemed institution and has the honour to invite you to participate in the 6<sup>th</sup> Strategic Leadership conference, scheduled to take place from 22<sup>nd</sup> to 25<sup>th</sup> September 2026 at the Kenya School of Government, Mombasa Campus, Kenya.

The contemporary African governance landscape is increasingly shaped by Volatility, Uncertainty, Complexity, and Ambiguity (VUCA). Rapid technological advancements, shifting demographics, climate change, evolving geopolitical dynamics, and economic integration challenges continue to redefine the operating environment for public institutions. These interconnected and complex realities demand a departure from traditional, reactive approaches to governance towards more agile, anticipatory, and innovation-driven leadership.

To effectively navigate these emerging challenges, public sector leaders must cultivate future-ready institutions anchored in systems thinking, strategic foresight, adaptive leadership, and the responsible application of digital technologies and data-driven decision-making. This year's conference seeks to strengthen the capacity of African leaders

to build capable, resilient, innovative, and citizen-centred public institutions. The conference will provide a high-level platform for dialogue, knowledge exchange, and practical learning.

Given your institution's pivotal role in advancing good governance, institutional excellence, and public sector transformation, we would be honoured by your participation. We also encourage the nomination of Public Administration practitioners, policymakers, governance practitioners, academia, civil society, private sector practitioners whose expertise and experience will significantly enrich the discussions and contribute to shaping practical solutions for Africa's governance future.

Please find attached the concept note and registration form for detailed information. Delegates are kindly requested to register for the conference online by visiting our website copy the link below to our browser.
